PHOTOGRAPHER RELEASE FORM

Please bring this form with you to the Session. Sorry, we cannot admit entry without a signed form.

The Keyhole Sessions is proud to present its first ever all-photography Session, GIRLS ON FILM. We are happy to provide the venue and models for both hobbyist and pro photographers for their personal collections.

By signing this form, you agree that any photos taken during "Girls on Film", presented by The Keyhole Sessions, on May 11th, 2010 are to be used for personal and/or non-commercial purposes.

You may use these photos on your website, social networks such as Facebook, Twitter and flickr, and in your online/offline portfolio to promote your services, as well as in a gallery setting or personal sale to another private collector.

You may NOT use these photos for commercial or pornographic sale purposes, including, but not limited to, product/service adverts, or to sites/companies that deal with obvious pornographic material without the express written permission from the subject{s}. Should you require/desire for any of these images to be used for such commercial gain, a separate agreement must be reached with the subject model{s}/rigger. Please contact The Keyhole Sessions for more information and we'd be happy to assist in facilitating any such agreement.

The Keyhole Sessions would greatly appreciate attribution whenever possible. We are happy to spread the love of our artists, — ie, by promoting images/photographers on our Facebook page or our main site with appropriate linking — and give big kisses when this is reciprocated.

For the purpose of credit, the names of our models are:

- AJ
Dolores del Fuego
Jennifer Rose
Pandora LaGlamme
Skellington

Rigger: JP Robichaud

Should you have any further questions, please contact Sonya JF Barnett, Madame of The Keyhole Sessions at peekthrough@thekeyholesessions.com.

Thank you, and enjoy Girls on Film.
